

## BRC Area 16 Training

**Tuesday 5<sup>th</sup> September 2017**

We have been very fortunate in being able to offer to Area 16 members the chance of a 1 hour group training session with Ros Canter.

With a BRC Training fund subsidy the cost to members is reduced from £30 to £15 this is to be paid on booking. These will be held in groups of four on her fabulous all weather arena at Hallington, nr Louth.

Depending on interest places will be assigned to members on a first come first served basis from each club in groups of similar ability, please be honest in your jumping height to make the most of your session. You must be comfortable jumping 70cm and if you can let me know what height you are currently working in, the groups can be organised to suit abilities.

The cross country jumping fences are a minimum of 80cm but knock down fences can be used to allow 70cm jumping.

Times will depend on attendees and confirmations of such will be sent via text or email.

Location is  
Home Farm  
Hallington
